A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND COMMENDING THE CONTRIBUTION PRIVATE CAREER COLLEGES MAKE TO THE EDUCATION OF IDAHO'S CITIZENS AND RECOGNIZING THE LONG HISTORY THAT SUCH INSTITUTIONS HAVE IN MEETING THE WORKFORCE DEVELOPMENT NEEDS OF THE STATE AND ITS CITIZENS.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, private career colleges prepare Idaho's citizens for specific careers in a wide array of occupations including health care, information technology, accounting and engineering; and

WHEREAS, private career colleges are able to respond to employer demand rapidly, understanding the need to prepare Idaho citizens for Idaho jobs; and

WHEREAS, four of the largest private career colleges in Idaho are accredited, meeting the high standards of educational, administrative and student outcome expectations; and

WHEREAS, three private career colleges provide both associate and bachelor degree level education that meets employer demands for educated, highly-skilled employees; and

WHEREAS, more than twenty schools offer programs that provide a certificate upon successful completion of the program of study; and

WHEREAS, the Northwest Career Colleges Federation supports regulations for nonaccredited institutions providing education as a means of ensuring Idaho citizens quality training opportunities; and

WHEREAS, private career colleges educate hundreds of students annually at no cost to Idaho's taxpayers; and

WHEREAS, private career colleges are tax-paying businesses; and

WHEREAS, in addition to increasing the level of business activity, Idaho's private career colleges provide employment to hundreds of faculty and staff; and

WHEREAS, as businesses, the colleges and their employees and students generate a contribution to Idaho's economy as a "spin-off" of doing business in the state; and

WHEREAS, an essential business imperative of private career colleges is their accountability to their graduates, in that private career colleges provide field-related employment for their graduates; and

WHEREAS, curriculum relevance is a must to sustain employer loyalty for graduates of private career colleges and ensures that programs are updated regularly to provide skilled, job-ready employees.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-ninth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we commend the contribution private career colleges make to the education of Idaho's citizens and recognize the long history that such institutions have in meeting the workforce development needs of the state and its citizens.

**HOUSE JOINT MEMORIAL NO. 5
BY REVENUE AND TAXATION COMMITTEE**

A JOINT MEMORIAL

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-ninth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the U.S. Department of State, the U.S. Department of Commerce and the U.S. Department of Homeland Security participated in the formation of the Security and Prosperity Partnership of North America (SPP) on March 23, 2005, representing a trilateral agreement between Canada, Mexico and the United States designed, among other things, to facilitate common regulatory schemes between these countries; and

WHEREAS, reports issued by the SPP indicate that it has implemented regulatory changes among the three countries that circumvent United States trade, transportation, homeland security and border security functions and that it is the intention of SPP to continue toward a North American Union in the future; and

WHEREAS, the actions taken by the SPP to coordinate border security by eliminating obstacles to migration between Mexico and the United States actually makes the United States-Mexico border less secure and more vulnerable to possible terrorist activities, and Mexico is the primary source country of illegal immigrants, illegal drug entry and illegal human smuggling into the United States; and

WHEREAS, according to the U.S. Department of Commerce, the United States trade deficits with Mexico and Canada have significantly increased since the implementation of the North American Free Trade Agreement (NAFTA), and the volume of imports from Mexico has soared since NAFTA, straining security checks at the U.S. border; and

WHEREAS, the economic and physical security of the United States is impaired by the potential loss of control of its borders attendant to the full operation of NAFTA and the SPP; and

WHEREAS, the regulatory and border security changes implemented and proposed by the SPP violate and threaten United States sovereignty; and

WHEREAS, the NAFTA Superhighway System from the west coast of Mexico through the United States and into Canada has been suggested as part of a North American Union to facilitate trade between the SPP countries; and

WHEREAS, the stability and economic viability of the U.S. ports along the western coast will be seriously compromised by huge cargos off-loaded at cheaper labor cost from foreign traders into the ports of Mazatlan and Lazaro Cardenas; and

WHEREAS, the state of Texas has already approved and begun planning of the Trans-Texas Corridor, a major multi-modal transportation project beginning at the United States-Mexico border, which would serve as an initial section of the NAFTA Superhighway System; and

WHEREAS, plans of Asian trading powers to divert cargo from U.S. ports such as Los Angeles to ports in Mexico will only

put pressure on border inspectors, interfering with their already overwhelming job of intercepting the flow of drugs and illegals flowing into this country; and

WHEREAS, future unrestricted foreign trucking into the United States can pose a safety hazard due to inadequate maintenance and inspection, and the Transportation Security Administration's (TSA) lack of background checks for violations in Mexico, lack of drug and alcohol testing, lack of enforcement of size and weight requirements and lack of national security procedures, which threaten the American people and undermine the very charge given to our homeland security agency to defend our borders against these threats; and

WHEREAS, the Eisenhower National Highway System was designed for the national security of the United States for movement of the military, purposes of commerce from state to state, not from foreign countries, and this highway system should not be compromised by treaties or agreements with other countries that would supplant the control and management of our nation's highways by our U.S. Department of Transportation and the various states; and

WHEREAS, we strongly object to any treaty or agreement, which threatens to violate national security, private property, United States commerce, constitutional rights and American sovereignty and emphasize our commitment to the Pacific Northwest Economic Region (PNWER) and other cooperative working nations in mutual beneficial goals; and

WHEREAS, this trilateral partnership to develop a North American Union has never been presented to Congress as an agreement or treaty, and has had virtually no congressional oversight; and

WHEREAS, recent reports on internet news, Friday, January 26, 2007, WorldNetDaily, stating that Congressman Poe (R-Texas) asked about the U.S. Department of Transportation's work with the trade group North American Super-Corridor Coalition, Inc. (NASCO) and the department's plans to build the Trans-Texas Corridor, Congressman Poe was told that the NAFTA agreement superhighway corridor plans exist to move goods from Mexico through the United States to Canada; and

WHEREAS, American citizens and state and local governments throughout the United States would be negatively impacted by the SPP process.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-ninth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we emphatically urge and petition the Congress of the United States and particularly the congressional delegation representing the state of Idaho to use all efforts, energies and diligence to withdraw the United States from any further participation in the Security and Prosperity Partnership of North America or any other bilateral or multilateral activity that seeks to advance, authorize, fund or in any way promote the creation of any structure to create any form of North American Union.

BE IT FURTHER RESOLVED that House Concurrent Resolution 40 of the First Session of the 110th Congress addresses the concern herein expressed by the state of Idaho.

BE IT FURTHER RESOLVED that we are asking our congressional delegation, our U.S. Department of Transportation Secretary Mary E. Peters and President Bush to reject appropriated federal fuel tax dollars for such SPP or NAFTA

when there is such a need for fuel tax dollars to be dedicated to the needs of the states in the U.S. in order to maintain our highway system.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.
